Your Honour

The final pieces of the jigsaw have fallen into place this evening so that there is no need to wait for the attached Hearing (CenLonCtyCrtNOTICE OF HEARING OF APPLICATION.pdf) to be resumed to consider my Claim of £100 million in damages and compensation from the Treasury of the United Kingdom; the details that I have journalistically uncovered as linked here:

Your Honour, I have paid £432 in Court Fees to HMCTS for this Appeal Hearing, and would expect the Judicial process to consider the matter without any further delay because procrastination is the thief of time.

The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London,
 Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

The hearing is estimated to last 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by the court in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and you may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be called later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for your case to be heard in a suitable court room by calling the Customer Service Team on 0300.1.23.5577

In compliance with GDPR requirements, the privacy notice sets out the standards that you can expect from the Ministry of Justice (MoJ) and HM Court and Tribunals Service (HMCTS) when we process personal data about you in the context of civil court proceedings; how you can get access to a copy of your personal data; and what you can do if you think the standards are not being met. Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. We are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as usual via email, by phone, in person or in writing by:

- emailing RCJ DCO (justice.gov.uk, or central.london.county.dco@justice.gov.uk)
- phoning our Disability Contact Officer 0207.947.6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Please note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around the building and support before the hearing.

- 1.1 you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.

- email: RCJ.DCO@justice.gov.uk or central.london.county.dco@justice.gov.uk
- tel: 0207.947.6063

- your case number
- car registration, make, model and colour
- warm/hot water supply and issuing authority.
- Wheelchair access to the RCJ is available at: West Gate (9am - 4.30pm), and Bell Yard North (9.30am - 4.30pm).

Electric lifts and the main entrance have intercoms linked to RCJ Security.

- Step-free access (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- Accessible toilets are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have limited mobility, we have a limited number of manual wheelchairs available for use. You may bring your own or request support using the wheelchair.
- Support Through Court are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020 7947.7701.
- Assistance dogs are welcome in all HMCTS buildings.

At the hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins
- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (also available at reception and at our public courtyards). We also have portable hearing loops available on request. Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

The Central London County Court

Dear Sir/Madam

I am of now increasingly of the view having considered the manner in which the Hearing of the 20 January 2023 10 00 am was delayed and then suddenly announced as what I claimed to be a POISONED CHALICE to my psychotherapist Jill Jesson that some normalcy (Refer: TIME TO RESTORE NORMALCY-digital.pdf) needs to be brought into these proceedings. I do not recall what is stated in the Notice of Hearing attached is what is correct, namely that 'The hearing of the claimant's application dated 23.06.2022' Some miscreants in the Court must have conjured this up to terrorise me.

Yours sincerely

- Assistance dogs are welcome in all HMCTS buildings.

't the hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins

- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.

- hearing enhancement systems in some of our courts (not available at reception and at our public courtyards). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

AUTOMATIC RESPONSE

Thank you for your email to Central London County Court.

In future when emailing, please put the case number and the content in the subject line, for example J70CL123 Acknowledgment of Service. This will help your email get to the right team as quickly as possible.

We are experiencing a high volume of emails coming into the court. Please do not send multiple requests, as we are currently unable to deal with them. Please limit your correspondence to urgent matters only or documents for hearings.

We are working through relisting hearings and urgent matters. We ask for your patience at this time. Unless your matter is regarding a hearing taking place within 2 weeks, there may be a delay in dealing with it.

WHAT IF I HAVE A HEARING LISTED?

The majority of hearings are held face to face. For remote hearings, please be advised that you will receive the invite for the hearing either the evening before or on the morning of the hearing.

If you have not heard from the court, please ring 0300 123 5577.

Please see below for guidance on the following matters:

- 24-hour limitation on application
- Judicial intervention within 24 hours.
- Trial Bundle (if hearing is within 3 days)
- Cash payment on application (if cheque/postal order is unavailable)
- Swearing statutory declaration

- To book an appointment contact the court by telephone on 0207 947 7502. Please note we will not be able to deal with any queries via this number.

2. EMAIL GUIDANCE

Any e-mail which fails to comply with the guidance will not be processed and will be returned to you.

All enquiries to civil courts and family courts can be received by email.

- You can send all letters and documents (exemptions are listed below) relevant to the case including adoption cases. However, due to the sensitive nature of adoption work, the court will only send emails to secure email accounts.
- An email account is considered secure when security measures are in place to make sure the data in the email can't be accessed by users without the relevant approval. Any account that ends in the following is considered secured: gsi, pnn, gsx, gcsx, gse, cjsm, and nhs.net.
- If you are attaching a copy of an order from a hearing for the Court to process, please ensure that you are submitting it in Word format only.

SENDING BUNDLES

- Please note that court bundles are not part of this process and we will not print them. Some Local Authorities are piloting the use of Cloud-based 'E-bundle' storage solutions that allow all parties involved in a case to view and download the evidence electronically. This is different to the receipt of bundles by email. The court can not accept documents that require the setting up of an account or a password.

3. EMAIL SPECIFICATIONS AND EXEMPTIONS FOR HMTCS

- All Civil and Family process, applications and documents will be accepted by email as long as when the entire email is printed out it is not more than 50 pages. This should include the email, all attachments (including any documents embedded in another) and enough copies to serve on required parties (excluding Local Authorities, CAFCASS and CAFCASS CYMRU for Family cases only).

- The total size of the email, including any attachments, must be less than 10mb.

Please note that:

- A page is one side, so 50 pages equals 25 pieces of paper printed on both sides.
- Requests for the issue of Specified or Unspecified civil claims are excluded from this process. However, any subsequent process that leads from this following the issues of the claim will be accepted.
- Do not use more than one email to take any step in a case which requires a document or documents to be filed.

4. SENDING EMAILS WITH ASSOCIATED FEES

- In both Civil and Family cases court processes that carry a fee can also be received by email and processed by court staff. However the same conditions as above must apply and in addition:
- the party issuing the process must either quote a Fee Account number (see below), or
- the party who wants to pay has a valid credit or debit card. If you wish to pay using this method please say this on the email and include a contact number for the Court to contact you to take payment.

- Please note Local Authorities are exempt from this provision.

- What is a Fee Account?

• This is a Direct Debit function that is quick, safe and easy to use. It is available for solicitors and large organisations. Once you have set up an account all you need is to provide your fee account number within the body of the email. The fee will then be deducted from your account.

- For more information and to apply for Fee Account please visit

Update:

Minutes earlier had texted Jill Jesson on WhatsApp at 7.56 am: Royal Mail turned down my application Jill and the Poisoned Chalice Hearing on E35YM660 has resurfaced.

I followed it with a second text: It never rains, it pours havoc on my mind.

20.10 pm (UK-Time) 26 March 2024

I published this book in The Allurement of Reality in Review Shop.

Jill Jesson texted back in WhatsApp at 8.02 pm: 'Sorry to hear about Royal Mail... don't give up. Keep applying for more jobs. I am not sure there should be another hearing if you are NOT communicating with anyone by email.'

 The Circuit Judge
 Central London County Court

Your Honour

Even if we overlook the assertion that the Notice of Hearing of Application is erroneous as perhaps evident from the fact that the Court has not passed Judgment/Order for 14 months since the Hearing was supposed to have taken place, it is well past its time to consider it now given the associated proceedings that are under way that impinge on the overall responsibility of the Prime Minister to restore normalcy in the Judicial and Law Enforcement processes of the United Kingdom, that you will note from the linked queries of mine to the appropriate authorities yesterday:

Shantanu, how can workers protect themselves against burnout?
 Hi Shantanu,

My name is Jennifer Ryan and I'm an editor at LinkedIn News UK. I often get in touch with professionals who can add informed perspectives on news and trends.

Burnout is increasingly an issue among workers today. The fast-paced nature of the workplace, coupled with the expectation of constant availability, can make employees feel overwhelmed and stressed. What strategies can they adopt to protect themselves against burnout?

We would love to hear your thoughts on this topic. Please share your tips in a comment or in a post directly from your profile using this link.

Please comment here

I look forward to reading your insights. Thanks!
Jennifer

It has dawned on me this morning having not had a reply from the County Court of Central London to the linked communications submitted by me:

<https://www.knowledgeassessmentanddissemination.com/post/automatic-reply-erroneous-application-notice-e35ym660>

that we live in a Surveillance Society, that has manifold manifestations too great to discuss in our correspondence, but the linked posting is a taste of what I am talking about: The Surveillance Society that is the United Kingdom | The Conservative Lib
 (theconservativelibertariansociety.com)
<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/the-surveillance-society-that-is-the-united-kingdom>

I have nothing to say about the rights and wrongs of the Surveillance Society which is a matter for the politicians in the House of Commons and the House of Lords, and we as citizens have to abide by the laws and rules that govern us.

Notwithstanding, at a personal level there is the matter of Defamation of myself brought about by the Security Services, the Judicial authorities, and the Law Enforcement systems of the United Kingdom, not to mention the National Health Service which castigated me as a mentally retarded person unfit for employment and other involvements in society such as being part of a political party to put forward my agenda of Conservative Libertarianism which is a natural way to live.

For my actions in resisting what I saw as State-organised victimisation of myself, firstly the State through its own mechanisms tried to boot me out of the country to make me stateless, whereas since I could not get asylum in any of the dozen countries in 2000 that I applied to then to get away from the terrorism that was mounted on me, I vowed to always live out my life in the United Kingdom with my United Kingdom nationality and passport. So the State-establishment tried to get me consigned into a mental hospital for the third time and I resisted that, and finally concocted alleged offences of Stalking and sending of malicious communications from 15 September 2021 to 19 March 2024 were framed against me that Kent Police knew only too well that it was M15/M16 that was responsible for all the trolling activities on me and to my colleagues in diverse positions within the United Kingdom and elsewhere.

Further the social media giants of LinkedIn and its internal members, Instagram and to a lesser extent Facebook also terrorised me together with countless institutions of the United States of America for reasons of their own.

I need to have this Defamation that I have been victimised with to be addressed with by the Courts and through the internal Kent Police investigation of whether I am due a letter of apology from any particular institution of the State together with damages and compensation as I feel is appropriate way to bring this matter to a closure.

Yours sincerely

Dear Taylor Hampton

Kent Police has defamed me deliberately by not investigating my Complaint to protect the criminals who have been terrorising me over 25 years or negligently; as follows below.

Is this matter something that Taylor Hampton can take forward with instructions from me? - If you have a No Win No Fee system that would be useful as I am a pensioner with very limited financial resources.

This month, our W&A on Writing mailing is dedicated to the explosive new genre known as Romantasy. Read a bit more about writing in the genre from Editorial Director, Tara Loder, ahead of her W&A online masterclass, and there are some reading recommendations too. Plus, we have some romance- and fantasy-specific writing craft articles from Bethany Rutter and Sarah

Ahiers, and the W&A team have taken some time to provide general feedback on the entries submitted for our annual short story writing competition. We hope it's useful!

MASTERCLASS: Writing Romantasy
 a photo of a woman sitting in front of a camera
 Monday 15th April, 7pm-8:30pm (UK time) | Online | £30

Join Editorial Director, Tara Loder, for this April evening masterclass in which she'll discuss the key elements of the explosive new genre that so many publishers are searching for.

But what do we even mean by the term 'romantasy'? Tara will lead you through how to become a world builder, how to populate your world and how to create magic systems. She'll help you master the tropes and explore how to write an incredible, original world that incorporates the known and unknown. You'll determine who is at the heart of your story and how they fit into your romantastic world. You'll look at some stock archetypes of the hero and heroine, and learn how to make them your own. Finally, you'll discover how to make the romance and the mission the heart of the story; because these are the threads that will keep the reader coming back for more.

Shantanu,

Today, I launched our local elections campaign. I hoped to be launching our general election campaign, but our weak Prime Minister has bottled it.

Now, it's our job to come together and send Rishi Sunak a message he can't ignore - Britain wants change and that change is Labour. Prime Minister, your time is up and the date must be set.

If you already understand what's at stake and are ready to help, please contribute today to help us start the local elections campaign strong.

The Tories are failing everywhere you look. The sewage in our rivers, the ambulances that don't come, the schools literally crumbling over our children's heads. They're so desperate, so broken by failure to address these problems, that they've reduced themselves to exploiting the politics of division, driving more chaos and decline.

It's our communities and families who pay the price of Tory failure.

Well, we don't have to take it anymore. We've got the power of the vote.

On Thursday 2 May, we must elect as many Labour councillors, mayors and police and crime commissioners as possible.

Yes, this will send a message to the government. But don't forget: Labour in power delivers. These representatives are at the forefront of providing good public services and protecting the most vulnerable in our communities.

It's so important that we're able to run a good campaign without diminishing our general election fund.

That's because the Tories have a huge general election war chest and we need to be able to measure up to it when the time comes. We're making incredible progress in closing the fundraising gap. But there's still more we need to do.

That's why I need to ask you today:

Shantanu, will you make a one off donation to our local elections fund today? We have thousands of candidates who need your help to deliver winning campaigns. They can't do it alone. It doesn't matter how much, but that you give what you can.

On Thursday 2 May, we must make sure that Labour candidates are given the opportunity to serve and deliver for their communities.

And we must take the opportunity to say loud and clear to the Tories that the country wants change with Labour. Enough dithering, it's time for a general election.

Together, we can get Britain's future back.

Thank you,

Keir Starmer
Leader of the Labour Party

Hello Adam

I have moved on from where I left the Labour Party for reasons that it would not accommodate my concerns:

The New web address of the Conservative Libertarian Party of the United Kingdom:

https://www.google.com/maps/place/The+Conservative+Libertarian+Party+of+the+United+Kingdom/@51.35542,0.579758,17.25z/data=!4m6!3m5!1s0x47d8d3a79c7360c3:0x274a756c5a56c028!8m2!3d51.3552963!4d0.5800533!16s%2Fg%2F11m_zg3gy6?entry=ttu

If at this eleventh hour of the Cooling Off period since I rejoined the Labour Party with confusion over the correspondence as linked here: Query on my Membership of the Labour Party: Is it resolved? (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/query-on-my-membership-of-the-labour-party-is-it-resolved> I will pay my £34.50 membership Fee again to restore my membership, instead of focussing on developing other avenues to pursue my politics.

Defeating the Conservatives at this coming general election with a Labour victory is my priority.

I look forward to your reply as soon as possible.

Yours sincerely

Dear Taylor Hampton

Kent Police has defamed me deliberately by not investigating my Complaint in order to protect the criminals who have been terrorising me over 25 years or negligently; as follows below.

Is this matter something that Taylor Hampton can take forward with instructions from me? - If you have a No Win No Fee system that would be useful as I am a pensioner with very limited financial resources.

that we live in a Surveillance Society, that has manifold manifestations too great to discuss in our correspondence, but the linked posting is a taste of what I am talking about: The Surveillance Society that is the United Kingdom | The Conservative Lib
 (theconservativelibertariansociety.com)
<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/the-surveillance-society-that-is-the-united-kingdom>

I have nothing to say about the rights and wrongs of the Surveillance Society which is a matter for the politicians in the House of Commons and the House of Lords, and we as citizens have to abide by the laws and rules that govern us.

Notwithstanding, at a personal level there is the matter of Defamation of myself brought about by the Security Services, the Judicial authorities and the Law Enforcement systems of the United Kingdom, not to mention the National Health Service which castigated me as a mentally retarded person unfit for employment and other involvements in society such as being part of a political party to put forward my agenda of Conservative Libertarianism which is a natural way to live.

For my actions in resisting what I saw as State-organised victimisation of myself, firstly the State through its own mechanisms tried to boot me out of the country to make me stateless, whereas since I could not get asylum in any of the dozen countries in 2000 that I applied to then to get away from the terrorism that was mounted on me, I vowed to always live out my life in the United Kingdom with my United Kingdom nationality and passport. So the State-establishment tried to get me consigned into a mental hospital for the third time and I resisted that, and finally concocted alleged offences of Stalking and sending of malicious communications from 15 September 2021 to 19 March 2024 were framed against me that Kent Police knew only too well that it was M15/M16 that was responsible for all the trolling activities on me and to my colleagues in diverse positions within the United Kingdom and elsewhere.

Further the social media giants of LinkedIn and its internal members, Instagram and to a lesser extent Facebook also terrorised me together with countless institutions of the United States of America for reasons of their own.

I need to have this Defamation that I have been victimised with to be addressed with by the Courts and through the internal Kent Police investigation of whether I am due a letter of apology from any particular institution of the State together with damages and compensation as I feel is appropriate way to bring this matter to a closure.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need

any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

If you are requesting personal data under Freedom of Information or the Environmental Information Regulations or would like a copy of personal data under Data Protection please email infosec@legalombudsman.org.uk

To Britton House
Community Mental Health Team

via KMPT PALS

Dear Sir/Madam

I am still waiting for my Medication Review appointment with Dr Emmanuel Oranusi 5 weeks since my last request through an e Consult submission through Dr Mwanche at 8my GP Surgery who asked me to telephone the Community Mental Health Team directly and I did so.

The States-organised conspiracy to victimise me fell on deaf ears when seeking assistance from Jill Jesson a psychotherapist by tag only and went unregulated at the Parliamentary and Health Service Ombudsman.

The terrorism on me has continued as below with a Spam call to my Mobile Phone as I write this email.

Yours sincerely

At 5.00 pm I texted Jill Jesson on WhatsApp: 'It is true, is it not?'

Jill Jesson texted back at 5.02 pm 'Well if you don't feel a sense of anxiety then it is true. But please stop using your computer and emailing Kent Police.' With that Jill sent a 'Happy Easter Video of a Card with Easter eggs and a bunny (rabbit).

I wanted proceedings and no response by email meant that having published this book up to this point in The Allurement of Reality in Review Shop, the State Establishment had not responded. 23.04 pm (UK-Time) 28 March 2024

I updated this book in The Allurement of Reality in Review Shop.

At 1.40 am Amulya Nayak texted a picture message on WhatsApp: Good morning. Purity in heart, clarity in mind, sincerity in action & contentment is the formula for happiness.'
